HORSE DROPS DEAD AT THE END OF A RUNAWAY

The Schade Brothers livery team ran away this morning and came clattering down Twenty-fifth street to the intersection of Washington avenue at a terrific rate of speed. One of the horses broke loose from the wagon tongue before the vehicle reached Washington and the horse remaining became more frantic. At the corner of Washington and Twenty-fifth street the infuriated animal came in contact with a horse and buggy, instantly tangling the two rigs—both drivers.

The horses became badly mixed up and started across the intersection of the street, diagonally to the Broom hotel corner, where they were stopped by a number of bystanders. From outward appearances neither horse was injured but as the horse belonging to the Schade family lurched to get away from those holding him by the bridle bit, he fell to the pavement near the curb, dead. It is thought the horse died of fright or of internal injuries.

The only damage done to the vehicles was the breaking of a shaft in the single buggy.

NINE WOMEN ARE HELD IN CITY JAIL ON CHARGES

Several cases that have been hanging over four days on the municipal court calendar were disposed of this morning in about ten minutes. Fannie Faulkner, alias Wilbur, and Josie Sun were given 15 days each; John Farer received a suspended sentence, the case against Britt Hager was dismissed, and Burt Checketts forfeited \$2 bail. The Faulkner woman was sentenced for drunkenness, the present case being the third or fourth time she had been before the court. Josie Sun, colored, was sentenced for vagrancy. She was arrested with Daisy Miller, alias Montague, and Leon Fields, last Friday night at the rear of 155 25th street. Fields is also a negro and Daisy Miller is an Indian girl. These two are being held pending a federal investigation.

John Farer and Britt Hager were charged with vagrancy and Checketts was arrested for riding a bicycle on the sidewalk.

The incarceration of Mrs. Faulkner and Josie Sun runs the total number of women in custody at the city jail up to nine. This is the largest number of women that has been in the bastille at one time in a number of months.

SECOND OF A SERIES OF SOCIALS BY YOUNG PEOPLE

The second of a series of socials that are being given by the combined young people's societies of the ecclesiastical churches of the city, will be held tomorrow night in the parlors of the First Methodist church. The social had been announced in some of the churches for Saturday night, but the committee state that it will be held tomorrow night, commencing at 8 o'clock.

The social will be in the nature of a George Washington party and a number of colonial games will be played in costume. A fine program has been arranged, a special feature of which will be a series of charades, illustrating the administrations of several of the presidents of the United States.

A social hour will close the evening and at this time ice cream and cake will be served. The affair is being arranged by committees composed of members of the different societies with Miss Eisenberg and Mr. F. B. Smith of the Methodist church as heads of the arrangement and entertainment committees.

WEBER ACADEMY IS DEFEATED BY LOGAN

In spite of a strenuous defense put up by the gritty Weber Academy basketball team last night, the superior height and weight of the Brigham Young College "five," to which was added the almost faultless accuracy of Barron's basket throwing from the foul line, brought victory to the Logan team. The score was 28 to 16. The first half ended with the score 18 to 8 in favor of the college boys, but in the second half, with the exception of basket throwing from the foul line, the work of Weber was superior.

In this half, the Purple and White scored four field baskets, against one for the B. Y. C. Three of the baskets scored were remarkably good shots from difficult positions, two being made by Belnap and one by Layman. Weber also had some hard luck on five or six throws, the sphere taking a spin around the iron ring and bounding out into the field.

Belnap starred for Weber, throwing six of the seven field baskets. The jinx was on him, however, in throwing from the foul line as he secured only two baskets out of nine chances. Layman was given a chance to throw from the foul line in the last half, but missed three out of three. Herbert, Weber's stubby right guard, played his position in a manner that held the college score down quite a degree.

Barron, the B. Y. C. right guard, was the particular star for his team. He threw fourteen baskets from the foul line out of fifteen chances. The lineup was as follows:

Referee—Lon Romney.
